1.2 Other Terms. Except as provided in Article 1.1 above, the definitions of terms used in this Agreement shall be as provided in the Terms and Conditions of Use of STOVE for Partners as agreed by the Partner. In the event of terms not prescribed in this Agreement and the Terms and Conditions of Use of STOVE for Partners, the relevant statutes and other general commercial practices shall apply.

Article 2 Purpose

The purpose of this Agreement is to specify the terms agreed between the Parties regarding the use of STOVE and the paid service and use of the Launching Content through STOVE.

Article 3 Delivery of the Launching Content

3.1 Partner's Provision of Launching Content. The Partner shall provide SGS a complete copy of the final version of the Launching Content to be distributed to the End Users in a format reasonably requested by SGS. For purposes of this Article 3.1, the Launching Content shall mean the Launching Content with the STOVE SDK integrated in accordance with Article 3.2 below. However, if SGS and the Partner make a prior written agreement (including by email) that the final version of the Launching Content will be DRM-free, the STOVE compatibility

requirements as set forth in Article 3.2 will not apply, and the Partner will not be required to integrate the STOVE SDK to the Launching Content.

3.2 STOVE Compatibility. The Partner shall make the Launching Content compatible with STOVE using the STOVE SDK in accordance with the STOVE SDK integration guide. The Partner shall apply to the Launching Content any updates to the STOVE SDK provided by SGS and deliver to SGS such updated Launching Content employing the most up-to-date version of the STOVE SDK. The Partner shall, in cooperation with SGS, use its best efforts to maintain compatibility of the Launching Content with the most up-to-date version of the STOVE SDK.

3.3 Quality Assurance. Before uploading the final version of the Launching Content via STOVE Studio, the Partner shall conduct quality tests and other error tests of the Launching Content, consistent with industry standards or standards mutually agreed by the Parties. In the event the Partner services the Launching Content simultaneously through any distribution channel other than STOVE, the Partner shall perform its duties with respect to the Launching Content in an impartial manner, including without limitation the provision of Launching Content Updates, Localized Versions, demo versions, technical support, promotional content and any other updates to the Launching Content (including without limitation any additional functionality), so that material parity is maintained between the End Users and users of such other distribution channel(s). The Partner shall not offer any Launching Content Updates, Localized Versions, demo versions, technical support, promotional content and any other updates to the Launching Content that is not offered on STOVE through any other distribution channel without the prior written consent of SGS.

3.4 No Payment Method Other than Those Provided by STOVE. The Parties agree that the Launching Content distributed via STOVE will not include functionality from or links or references to any store or other facility for making purchases or payments other than those provided by STOVE. For clarification, the preceding sentence does not apply to versions of the Launching Content that are distributed outside of STOVE.

Article 4 STOVE Fee and Payment

4.1 Fees. STOVE Fee shall be 15% of the Adjusted Gross Revenue.

4.2 Calculation of Gross Revenue. The purchase of any Launching Content (including without limitation any Launching Content Updates, Localized Versions, DLCs, and demo versions) by an End User through STOVE using STOVE Cash or another method of payment available on Stove shall be included in Gross Revenue. To clarify, if any discount event for any Launching Content (including without limitation any Launching Content Updates, Localized Versions, DLCs, and demo versions) is held within STOVE, the amount actually paid to SGS by the End Users (that is, the discounted price after applying the discount rate of the applicable discount event) shall be included in Gross Revenue.

4.3 Statement of Accounts. (a) Beginning on the date SGS first receives Gross Revenue from the distribution of the Launching Content over STOVE, SGS shall, during the Term, provide a report on a calendar month basis stating the Gross Revenue, Refund Fees, amount of Refunds to be borne by the Partner under Article 5, STOVE Fees, and the Amount Payable to the Partner ("**Report**"), within seven (7) business days after the end of each

calendar month concerned; provided, however, that no separate written or electronic document shall be provided to the Partner in the event that SGS provides the Partner access to such information through an account on STOVE. (b) If the Term of this Agreement expires or terminates, a Report shall be provided no later than seven (7) business days after the end of the second calendar month (M+2) after the calendar month (M) that includes the last day of the Term. Such Report shall include the amount of Refunds given by SGS to the End Users after the expiration or termination of the Term to the end of the following two calendar months (M+2) (“**Last Report Period**”). If additional settlement is required due to a Refund occurring after the Last Report Period, an additional Report may be provided to the Partner.

4.4 Settlement and Objection Appeals. The Partner may only raise a written objection to the Report it has received pursuant to **Article 4.3** within eight (8) business days after the last day of each applicable calendar month (“**Objection Period**”). To clarify, the Partner may only raise a written objection to the May Report within the first eight (8) business days of June. However, if the Partner does not receive a Report pursuant to **Article 4.3** within seven (7) business days from the last day of the applicable month because of reasons solely attributable to SGS, the Partner may raise a written objection within three (3) business days from the date of receipt of the Report (“**Additional Objection Period**”). If the Partner does not raise a written objection within the Objection Period or the Additional Objection Period, it shall be deemed that the Partner accepts such Report without objection; provided, however, that if the Partner raises a written objection to the Report within the Objection Period or the Additional Objection Period, the Parties shall discuss in good faith to resolve such objection by mutual agreement, and the amount under dispute will be settled as follows:

(a) if SGS and the Partner reaches an agreement within the Objection Period or Additional Objection Period, SGS will first make payment to the Partner, as described in **Article 4.5**, according to the amount originally found in the Report, and any additional amount of payment agreed between the Parties will be reflected in the next month’s Report and paid accordingly.

(b) if SGS and the Partner cannot reach an agreement within the Objection Period or Additional Objection Period, SGS will first make payment to the Partner, as described in **Article 4.5**, according to the amount originally found in the Report, and once the Parties reach an agreement, any additional amount of payment agreed between the Parties will be reflected in the Report for the month immediately following the date of agreement and paid accordingly.

4.5 Payment. Upon the confirmation of the Amount Payable to the Partner for a calendar month, and once the total accrued Amount Payable to the Partner up to that point equals or exceeds USD 100, SGS will issue an invoice for the Partner. The Partner shall promptly sign the applicable invoice issued by SGS and return it to SGS. SGS shall pay to the Partner such Amount Payable to the Partner within two (2) months after the receipt of the applicable signed invoice therefor. Afterwards, if the monthly Amount Payable to the Partner hereunder equals or exceeds \$100 (based on the official foreign exchange rate of the Seoul Money Brokerage on the last business day of the month during which the applicable Amount Payable to Partner is generated), SGS will issue an invoice for the Partner. The Partner shall promptly sign the applicable invoice issued by SGS and return it to SGS. SGS shall pay to the Partner such Amount Payable to the Partner within two (2) months after the receipt of the applicable signed invoice therefor; provided, however, if the monthly Amount Payable to the Partner hereunder is less than \$100, such Amount Payable to the Partner shall be carried forward to the next month until the total Amount Payable to the Partner equals or exceeds \$100. If the Amount Payable to the Partner for any month is a negative amount, such negative amount shall be carried forward to the next month. Upon expiration or termination of this Agreement, if the Amount Payable to the Partner for the Last Report Period is a negative amount, SGS will provide a Report in accordance with **Article 4.3**, and the Partner shall pay to SGS the amount specified in the applicable Report within thirty (30) days of the receipt of such Report to the bank account specified by SGS in such Report.

4.6 Withholding Tax. The Partner shall obtain, at its sole responsibility and expense, advice as to its income and tax consequences of such income, including its withholding obligation, in relation to the Amount Payable to the Partner in each country within the Territory, and SGS shall have no obligation to provide, or assist with provision of, tax advice to the Partner. If, pursuant to the applicable tax law, a withholding tax is, or reasonably could be, imposed on SGS's payments to the Partner hereunder as reasonably determined by SGS in good faith, then SGS may deduct from such payments the appropriate amount of withholding taxes that are required to be withheld according to such applicable tax law ("**Partner Withholding Tax**") and remit the Partner Withholding Tax to the relevant taxing authority. SGS shall indicate the amount of Partner Withholding Tax, if any, in the Report and deliver to the Partner, upon request, any withholding tax certificate or other evidence of payment received from the relevant tax authorities. Upon request, SGS agrees to take reasonable measures to cooperate in minimizing any such withholding tax. The Partner and SGS shall cooperate with each other in regard to filing and maintaining any tax documents necessary to collect, remit and/or reduce such Partner Withholding Tax.

4.7 Settlement Currency, Payment Currency and Exchange Rate. End Users' payment transactions on STOVE shall be settled in KRW for the End Users residing in Korea and in USD for the End Users residing in outside of Korea. SGS shall make payments to the Partner hereunder in KRW if it is a Korean Partner and in USD if it is not a Korean Partner. If the settlement currency is different from the payment currency, the applied foreign exchange rate shall be the official foreign exchange rate promulgated by the bank used by SGS to pay such amount to the Partner on the date of payment

4.8 Remittance Accounts. SGS shall remit any and all amount paid to the Partner under this Agreement to the bank account previously designated by the Partner by a notice pursuant to **Article 9.1** (including email). If SGS allows the Partner to register its bank account in STOVE Studio, and once the Partner has registered its bank account accordingly, SGS will remit any and all amount paid to the Partner under this Agreement to the bank account registered in STOVE Studio by the Partner. Each Party shall bear the wire transfer fees charged by its own bank.

Article 5 Refund

5.1 Refund Procedure. In the event that any Refunds must be made to the End Users pursuant to applicable laws or company policies of SGS or the Partner or upon termination or expiration of this Agreement, SGS shall undertake the Refund procedure and handle Refund-related inquiries from the End Users. In the event of any inconsistency or conflict between SGS's Refund policy and the Partner's refund policy, SGS's Refund policy shall prevail and take precedence, and the Partner shall revise its refund policy to reflect SGS's Refund policy.

5.2 Refund Policy

5.2.1 Refund of the Launching Content Other than DLC. Any Launching Content except DLC purchased by an End User using STOVE Cash or another method of payment available on STOVE shall be refundable only if (a) it has been played for less than a total of two (2) hours of playtime and such Refund is requested within thirteen (13) days from the purchase date (or from the date the Launching Content is made available to the End User, in case of a pre-order for an upcoming unreleased Content), or (ii) the Launching Content is unusable because of error in the STOVE service. Any Refund of such Launching Content except DLC shall be provided by SGS in the form of STOVE Cash.

5.2.2 Refund of DLC. Any DLC purchased by an End User using STOVE Cash or another method of payment available on STOVE shall be refundable only if (a) the DLC has not commenced download (or has not been activated for use, as applicable, in the Launching Content after purchase), and (b) the Refund is requested within thirteen (13) days from the purchase of the DLC. Any Refund of the DLC shall be provided by SGS in the form of STOVE Cash.

5.3 Refund Obligation Liability. If any Refund must be made to an End User in accordance with this **Article 5** due to faults solely attributable to either Party, the attributable Party shall bear the entire amount of such Refund obligation. If the grounds for any Refund are attributable to the fault of both Parties, irrespective of actual contribution of faults, or if the Refund is not attributable to the fault of any Party, the Parties shall share the burden of such Refund obligation at the ratio of SGS 15% and the Partner 85%.

5.4 Refund Report. Each Report under **Article 4.3** above shall include the total amount of Refunds given by SGS to the End Users and the total amount of the Refund obligation to be borne by the Partner in accordance with this **Article 5**, each for the applicable calendar month. For the avoidance of doubt, Refunds will be recognized in the Report as of the date when the Refund request by the End User is approved by SGS pursuant to this **Article 5**.

5.5 Set-Off. Any amount of Refunds to be borne by the Partner under this **Article 5** shall be subject to set-off against Gross Revenue for the calculation of Amount Payable to the Partner.

Article 6 Other Obligations of the Partner

6.1 UGC Revenue Distribution. If the Partner intends to use STOVE to sell or derive any revenue from any UGC created and developed by any End User, the Partner shall pay a service fee to SGS separately from the STOVE Fee. Specific terms and conditions of such service fee shall be mutually agreed by the Parties in writing

6.2 Marketing Cooperation Fees. SGS and the Partner may cooperate in marketing, advertising and promoting the Launching Content via online websites, blog, SNS, over-the-top (OTT) media services, etc., and the burden of any expenses and costs incurred from such marketing cooperation shall be shared at the ratio that is mutually agreed by the Parties.

Special Agreement for Ratings Information and Localization

1. Ratings Information

SGS will, at its sole cost and expense, obtain Ratings Information from the Game Content Rating Board (“**GCRB**”) or Game Rating and Administration Committee (“**GRAC**”) in Korea. In furtherance of the foregoing, the Partner agrees to provide a build of the Launching Content for SGS to submit to GCRB/GRAC and shall fully cooperate with SGS in obtaining such Ratings Information, including meeting any deadlines set by SGS in regards to requests made by SGS to the Partner in relation thereto. SGS may delay the release of the Launching Content on STOVE in Korea for a period of time as SGS deems reasonably necessary for reasons related to obtaining Ratings Information from GCRB/GRAC. For the avoidance of doubt, SGS shall not be liable for any damages of any kind (whether direct or indirect) incurred by, arising out of or in relation to the obtaining of Ratings Information from GCRB/GRAC.

2. Localization

The Partner shall provide to SGS all texts and scripts of audio in the Launching Content for Korean localization, including but not limited to screen texts, user instructions, reference materials, other textual materials, local sound source, and voice-over. Upon receipt of text and script materials from the Partner, SGS shall, at its sole cost and expense, prepare and deliver to the Partner all necessary translations of the texts and scripts into Korean (“**Localized Materials**”); provided, however, that such Localized Materials shall be provided only in text format and not in any audio, visual, or audiovisual format. For the avoidance of doubt, the Partner may not use the Localized Materials for any purpose other than to prepare a Korean Localized Version for SGS (“**SGS Korean Localized Version**”). For the avoidance of further doubt, the Partner may not distribute the SGS Korean Localized Version other than through STOVE, without the prior written consent of SGS.
